Summary of reasons for decision:

The image file is deemed to be objectionable under s3(2)(a) of the of the Films, Videos, and Publications Classification Act 1993 (FVPC Act) because it promotes and supports the exploitation of children or young persons for sexual purposes. It is an image of a topless older child or young teenaged girl in a sexually exploitative situation with a man. The image is intended for the sexual arousal and titillation of adults with an interest in children and young persons. The availability of such material encourages the creation or reinforcement of this interest by presenting children and young persons as appropriate subjects for adult sexual attention. This classification interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act be banned. It also reflects the concern of a free and democratic society to protect its young and vulnerable members from exploitation.
